There are also free spaces on Presidentinpuistokatu, Kiertokatu and Rautatiepuistokatu to the north of campus. Please note that most of these places require the use of parking disc. Check the requirements when parking as e.g. the parking time might vary from 1h to 24h.

WEDNESDAY, 9 SEPTEMBER – RAUMA

- Breakfast at Ahlström Estate
- **08:00** Departure for Rauma (65 km drive)

- **Parking at Rauma**

Please note the parking in historic Rauma is limited. Usually during the low season spaces are aplenty, but there are also number of extremely narrow oneway streets that make navigating challenging without local knowledge. For the those reasons we advice you to leave your wheels just outside the old town. There are two main options.

- *Vanha Rauma Parking* at Kaunisjärvenkatu (GPS 61.1278, 21.5192) Free but parking disk required (24h). 300m from the venue, app. 4 minutes of walking.
- *Ruins of the Holy Trinity Church* (GPS 61.1265, 21.5172), Itäkatu or Vanhankirkonkatu, depending on your navigator-app. Free parking with parking disc, most spaces 24h, some 4h and the spaces directly in front of the restaurant & hotel only 1h. We

recommend this parking as it is very conveniently located from the venue, 100m from Marela.

- Parking in Rauma is always free, but the Municipality is very strict with parking discs and constantly patrolling. So please remember to use the disc!
